May 18, 2022

### Father of the Year

We will be awarding the Biloxi Father of the Year at our meeting on 15 June.

### Sea and Sun Camp

The Sea and Sun Camp will be this weekend!

### Cars for Moms

Lion Greg told us that after the publicity of being interviewed on WLOX, there have been 48 requests for moms that need cars. We are still waiting for the first car to be donated.

### Changes to the Biloxi Lions Club Constitution

The past two weeks, the ROAR emailing had the proposed revisions attached. It will be attached to this emailing as well. We will be voting on it at our meeting on 24 May.

### 2024 Mississippi State Convention

We will be hosting the 2024 Mississippi State Convention! Also significant, our club will celebrate it's 100<sup>th</sup> birthday that year. Lion Teresa has accepted the challenge of being the chairperson for the convention. We have done this before! There is a lot of work that goes into hosting a state convention. We hope everyone will step-up to help if asked.

### Diabetes Camp

Lion Carl told us that they have 2 campers so far for the Diabetes Camp; they need 10. The drop-dead date to let everyone know if the camp is a go or not is 24 May.

### Guest Speaker

We didn't have a scheduled guest speaker today. However, we did have a very special guest at the meeting. Gabrielle Young is the District Governor of District 4A1 in California. She was in town helping her son and wanted to visit our club.

*Meetings are noon every Wednesday at the Maritime and Seafood History Museum*
