Installation Banquet

We had a sign-up list circulated today so we can start getting a head count for the meals that evening. If you are bringing a guest, the cost is \$25 per person. If you are not able to make a meeting, please let the secretary, Star Ransonet, or myself know (i.e., reply to the ROAR) and we will add your information to the sign-up sheet.

Prayers

We were told today that Lion Larry Sturgis was in the hospital and is currently waiting on a transfer. Please keep him and his family in your prayers.

Eye Screening

We were told that our next eye screening will be on 24 June at St. Mary's Catholic Church in Woolmarket from 5 – 8 PM. For the church, this is the end of Vacation Bible School and will be a family night. This should make for a good turn out!

Mid-South Lions

Lion Wayne told us that they had a wonderful Lions Leader Weekend. That weekend, they were able to tour the facilities. During that Saturday, they did 25 cataract surgeries in around 6 hours! Next year, the Lions Leader Weekend will be on 15 April.

Board Meeting

The June Board Meeting was supposed to be tomorrow. However, due to conflicting schedules, it was moved to Thursday of the following week.

Eye Glasses

We still have used eye glasses coming to our club. However, the state office is still not taking them. This is because no one is making the mission trips down south to give out the glasses. The state office has exhausted all places to store glasses until the trips start up again and are asking the clubs to hang on to them for now.

Guest Speaker

We had no guest speaker today. Instead, we were able to enjoy each other's company!

Meetings are noon every Wednesday at the Maritime and Seafood History Museum
