# Biloxi's Mark Barhanovich Father of the Year 2022

*Meetings are noon every Wednesday at the Maritime and Seafood History Museum*

Our President, Lion Reverend Elijah Mitchell, began our meeting.

At the appropriate time, Lion Elijah passed the proceedings over to Lion Jerry Dodge to be our emcee.

It's our custom to read the nomination letter. This time, though, we had the two submitters (his daughters) read their nomination letter.

Mrs. Katie Rockholt also came up and told us about her husband, Ryan.

Biloxi's Mayor Andrew Gilich normally attends to read the city proclamation. However, today he was unable to leave his duties so he sent the city's Chief Administrative Officer, Mike Leonard, in his place.

Mrs. Scarlett Rogers-Green presented Mr. Rockholt with the Father of the Year award.

We finally got to hear from Ryan himself about how he felt about winning the award.

It was finally time for our meeting to close. But not without getting one last picture of Ryan Rockholt with his family and friends.
