### **June Board Minutes**

Lion Penny read the minutes from the Board Meeting. You can see them on our web site if you want more details.

### **Recovering**

Lion Larry is recovering at Green Brier and we are told that he is doing well.

### **Shuckers Fund Raiser**

A fund raiser was pitched at the Board Meeting. Lion Greg found that the Shuckers have a program where a non-profit can buy tickets at a reduced rate (\$8) and the non-profit can sell them for a higher price (such as \$15). The Board approved bringing this to a vote from the membership. The members there today did vote to take on this fund raiser. There will be more information to follow.

### **Guest Speaker**

There was no guest speaker today because of the reading of the June Board Minutes.

### **Eye Screening**

There will be an eye screening on Friday at St. Mary's Catholic Church in Woolmarket from 5 - 8 PM.

### **Installation Banquet**

We have about 46 reservations so far. If you want to come, please contact Star Ransonet or any club officer soon so we can get a firm head-count for the dinner. We will be having the banquet on 13 July. Adult beverages are allowed, but cannot be sold at the Museum, so please bring your own bottle if you are interested.

*Meetings are noon every Wednesday at the Maritime and Seafood History Museum*
