4. **Program:** Dave Shifflet review his book *Exploits and Opportunities of an Airman*

### ***EXPLOITS AND OPPORTUNITIES OF AN AIRMAN*** **By Dave Shifflet**

Our speaker, Dave Shifflet, revisited the Biloxi Lions but with a different program than he presented at his last visit. Today Dave reviewed his book *EXPLOITS AND OPPORTUNITIES OF AN AIRMAN*.

He begins with saying "it took me 20 years to write, 10 years to think about publishing, then 18 months to get it published." The book covers his military career in the United States Air Force explaining he joined to travel and see the world. And he did...from his air craft training in Illinois where the Branch Chief, who was a relative of a friend, gave him the opportunity to further his training on the C130 Cargo Planes at Langley AFB Virginia. He smiled as he related.. "in the 2 years at Langley I was actually only on the base 4 months as I was deployed on many temporary duties to England, Germany and Panama."

But those small trips gave him the opportunity learn 1) the ways of England like you can't ride a bike in England without the proper lighting. A flashlight, or torch as it called in England, won't do; 2) in Panama he said that Golfing in a dense forested area is not safe as there are many creatures 'lurking about'; and 3) in the rainy season one learns to walk in front of the rain because you can see it coming and by timing it just right you won't get wet. But any hesitation in the timing and you will get soaked; 4) while in Germany he decided to hike into France on a picnic with friends with the whole works...French wine, bread and cheese...on a hill area. When he return to the base it learned that the hill area was part of the 'Maginot Line'. This was a line of hills and concrete fortifications built as obstacles by the French in 1930 to deter an invasion by Nazi Germany. But as we know...the Maginot Line did not deter the Nazi Army.

Then off to Belgium were he worked directly under Alexander Haig (who later served as the US Secretary of State 1981-1982). Also, while in Belgium he was an aide under the Supreme Head Allied Powers Europe (SHAPE) commander in which his official job status entitled him to many perks, one being able to get to places his normal orders would not have done.

After several tours of service in Belgium and Antonia he was transferred to Keesler AFB in 1981. It was here Dave received the Unit Career Advisor of the Year.

In closing Dave recapped his achievements saying his best job was in SAC, Strategic Air Command, NATO Forces as an E5 Staff Sgt., another Unit Career Advisor of the Year award and earning his Bachelor's Degree...oh, and, time as a Bomber Tanker Repair chief. A rewarding

Don't forget to dig out your favorite sports attire, hat, or whatever, for the Sports Day Installation for President Elect Tadd Gabrielson and his 2024-2025 Board on the evening of July 10th. Yes, it will be an evening event so **no noon meeting** that day.

Feast on game day favorites of hot dogs, hamburgers, nachos, peanuts, popcorn and cracker jacks! Did I hear that a keg might show up, hint-hint? It is still a BYOB if you care for your own special favorite, but please provide your mixers for your BYOB if necessary.

It will be an honor for our own DG Elijah to install the 2024-2025 Officers and Board, so please sign up to attend with your +1(or 2) for this special occasion in welcoming the newest District Governor our own Elijah and First Lady Lion Miriam, and family home from Australia.
