OUTDOOR MOVIES

OUTDOOR MOVIES START TIME: 8:30 P.M.
ENTERTAINMENT SCHEDULED

We have been providing outdoor movie services for 19 years. Our new aluminum platform structure (2017) is designed to withstand high winds and does not bounce around like the blow-up screens.

- Each outdoor movie project includes:
 - 3 person staff for setup, operations and breakdown
 - Rear projection screen 16' wide x 9' high, with aluminum truss
 - Epson 6000 Lumen projection
 - Complete Pro Disc Jockey system with a pair of 600 watt speakers, mixer, cd-player, microphone and cords
 - Honda Portable Quite 2000 watt generator.
 - Table, Tent, Chairs
- (Back up equipment on site)
