Notes

- Dave reported that children's ministry is going great. The hallway and classroom changes are working well. The number of families keeps going up. More work is on the list and we are still needing volunteers.
- Megan reported that the music world is going well. Still need to schedule March and April. Fred, unfortunately, will not be able to play bass any more. Invia is also working out well.
- Brenda - nothing to report.
- Shelly reported that she's working with Diane and figuring out how everything works.

- Ken reported that the food bank has been busy and is going well. They've been making a weekly trip to Greeley to get milk and eggs. Outside looks good. We have a new trash company with the same details. We haven't had any snow to remove...
- Our meeting closed with scripture and prayer.
