### August Meeting

Dan Gerhard demonstrated the finer points of pouring resin.

### August Workshop

The August workshop was postponed.

### September 4<sup>th</sup> meeting

There will be a mystery demonstration. I don't know who it will be, but I am confident there will be a demonstration. In addition, there will be time for show-and-tell and a wood exchange. Also, the September workshop will be discussed.

### September workshop

The postponed August workshop has tentatively been rescheduled for September 20. The workshop will be the first of a series of workshops on segmented turning and will take place at Bill Roland's Shop, 8464 Bohleen Road, Peyton, Co. Less than half a mile from Scott's.

The workshops will include planning, making jigs, gluing, turning, and finishing. Look for a email with a SignUpGenius link.

Pikes Peak Woodturners (PPW) is the Colorado Springs chapter of the American Association of Woodturners (AAW), serving woodturners throughout El Paso County. We help woodturners gain experience by providing monthly demonstrations with professional turners and mentoring. PPW dues are \$30/year per member and \$50 for family and paid by March. Dues are used for guest demonstrators, purchase and maintain club equipment, and to expand the library inventory. Your first two meetings are free. If you would like to attend a meeting contact Dan Gerhard 602-828-2480.
