Robert Brewer

President

Hi everyone,

There will not be a meeting in December.

Seeing as my last day as President is the 31st of December and the club can't exist without a full staff of board members it is very important that someone steps up to become president!

So, if you want to nominate someone or yourself, let us know!

Without a full set of board members, the club cannot exist.

The next projected meeting will be on 6 Jan, changed back to Friday 5:30 pm. Let me know if you want to do a demo at rbrew2543@gmail.com

Hope everyone stays warm and has a very good Christmas.

Robert

Demonstrators Wanted

Do you have skills or a type of turning you do often? Would you be willing to share your skills? The chapter is always looking for demonstrators.

Fundraising & Raffle

We're always looking for ways to support our Chapter. Have an idea for a fundraiser? Grab one of the Chapter Officers and bend their ear. If you have some "nice turnable" wood laying around, that you know you won't use, donate it to the raffle and get a free ticket.

Want to write an article for the newsletter or a tutorial? Email it to Vic for now. And oh! By the way we are looking for an Editor for the Newsletter.

Facebook Page

Did you know we have a Facebook page? If you didn't before you do now. Members post pictures of projects along with info on wood available for sale, trade or they just need it gone. When you have a chance, go check it out at:
