President's Notes

The next meeting will be Friday the 6th at 5:30 pm. I don't think there will be a demo , just the Elections "voting" then maybe a wood raffle & a show-&-tell if enough items are brought.

Hope to see a lot more members at the meeting & have a happy new year.

Robert

Class News

The club was asked to do a wood turning class for some college VIP's by Bemis & a pen class was decided on. William Smith & William David assisted with the 12 that attended.

Every body left with a pen & was very happy with the class, below is a picture of them with their pens, the lady in front is the VP of the college.
