From the Prez

Robert Brewer
President

Well, this will be the second meeting at Bemis since I don't know when. There were not very many members at the last meeting and hopefully there will be more the 6th of May.

We need to vote on moving to Wednesday night or staying with Friday before we lose the option & someone else picks it.

Bring the wood you have had lying around so someone else can maybe find a use for it.

There will be a show and tell so bring your latest & greatest turning.

The demo will be coring from start to finish.

We need people to step up and do some demos, doesn't have to be a turning. Anything you think someone might be able to use to make turning easier or simpler will work.

Robert

2022 Membership Dues!

Individual Membership \$30/Calendar Year (CY) Family Membership: \$50/CY.

Reciprocal membership \$20 (for those members who already belong to the Front Range or Pueblo Clubs)

Please make checks payable to: Pikes Peak Woodturners. You can mail it in to our Treasurer, Al Testa, 2540 Brenton Dr, Colorado Springs, CO 80918

Demonstrators Wanted

Do you have skills or a type of turning you do often? Would you be willing to share your skills? The chapter is always looking for demonstrators.

Fundraising & Raffle

We're always looking for ways to support our Chapter. Have an idea for a fundraiser? Grab one of the Chapter Officers and bend their ear. If you have some "***nice turnable***" wood laying around, that you know you won't use, donate it to the raffle and get a free ticket.

Want to write an article for the newsletter or a tutorial? Email it to Vic for now. And oh! By the way we are looking for an Editor for the Newsletter.

Facebook Page

Did you know we have a Facebook page? If you didn't before you do now. Members post pictures of projects along with info on wood available for sale, trade or they just need it gone. When you have a chance, go check it out at:
