## Message from the Prez

So how's everyone holding up? Unfortunately, we can't hold our regular meeting on May 1st. We are working on getting a meeting online using "Zoom". Probably will not include a demo, the first time around, but it will give us all a chance to say hi and if we can figure it out at least do a show and tell. Using the basic version will limit us to a 40 minute meeting but it is free to host.

More about Zoom. We will send out a notice that will have the [link and login information](#). You can use your PC/MAC if you have camera and microphone. The first time you access it will download the software. You can also use a tablet or smartphone. Just download the Zoom app. I should mention that the apps and software are free for folks attending.

So how many of you have turned some tops? I know Larry Fox did a bunch and passed them out to the kids in his neighborhood. I know Rich Aldrich turned one as well. Waiting to see if he can convince his wife to turn one. If you have a Facebook account, you can post your top pics. You don't have to have an account to check out the page to see what folks are sharing. Here's a link to our page: <https://www.facebook.com/groups/191168840924000>

So I've been doing a bit of reading up on Zoom. Yeah, I can read. For our show and tell, please send me some pictures along with a bit of info on the turning. [vicvickers@elpasotel.net](mailto:vicvickers@elpasotel.net) I'll build a slide show with your pics. It's easier than coordinating all individuals sharing. We have attached a copy of a Zoom cheat sheet with this newsletter. We'll shoot for a 6pm meeting time on the 1st. Don't forget to hang your parking pass on your car mirror 😊. Will get more info out as we get finalized.

Hope to see you on Friday on our Zoom meeting. Until then be safe and keep on turning.

Vic

## **UPCOMING DEMONSTRATIONS**

TBD

## **DEMONSTRATORS**

Let any officer know if you are interested in doing a demo or if you know of a National turner you would like to see. Let's not rely on the same people every year. If you've done something interesting or think people will be interested in your work, PLEASE volunteer, even if it's something we've done in the past. There is always something to be learned.
