President's Corner

Well, it sure seems like a long time since we've gathered! I hope your summer has been busy so far... in a good way! Our July break is over and our first meeting in 2 months is finally here, next Friday. Our own VP, Bill, will be doing a demo on

a favorite style of his made popular by Rebecca Degroot. I am really looking forward to this one...it's a really cool technique it's many possibilities.

The Rock Mountain Woodturning Symposium <https://rmwoodturningsymposium.com/> is reportedly close to selling out!! Scheduled for September 15 to 17 in Loveland Colorado it is destined to be one of our best regional Symposiums in years. Hope you can make it, it's a great value!

Please bring any turnings you have been working on to the meeting. It's a great opportunity for friendly discussion and sharing of ideas/techniques. Always inspiring to see what each other has been up to.

Also, don't forget to bring any old or unwanted tools, and wood for the raffle. It helps maintain our humble coffer!

Really looking forward to seeing old friends and hopefully some new members who have also been bitten by the woodturning bug!!
