Vinny, our club president is teaching an Intro to Woodturning class for Bemis on 6 June at 11 – 3 pm. He is asking for volunteer teachers to help with the class. Contact Vinny @ looch730@msn.com

## 2 June 2023 Demonstration Info

**Leonard Mackey – Pen demo** - using segmenting techniques, inlays, and acrylics. I'll build and turn a pen blank using a variety of materials and techniques to elevate it into something unique. We'll look at different materials, sources, glues and adhesives, specialized jigs, and sequence of operations as well as some sources of information and mentoring. Hopefully, you'll be inspired to explore integrating new types of materials into your projects as well as pick up a few interesting tips and techniques along the way to make life easier for you.
