Message from the Prez

Well the February meeting got canceled due to snow. I was really looking forward to Raleigh's demo. He had a scheduling conflict for our March meeting but looks like he will be our demonstrator in May 2020 year.

Steve has lined up Nate Arellano, of Back Yard Turners in Pueblo, to be our March demonstrator. He will present a resin casting demonstration. Nate will show how he makes blanks for pens, bottle stoppers and other turned items. There should not be a lot of wood chips to clean up, but we will need help after the meeting to set up for classes on Saturday and Sunday.

Looking ahead in the year we have the June Demo still open. Any volunteers or ideas? We have our picnic in July instead of a regular meeting. We need one or two volunteers to plan/coordinate it. The picnic location and menu are wide open.

Don't forget, we are bumping the April meeting a week to facilitate a demo by Matt Monaco. As I type this article we are still waiting to see if we have the interest in conducting a class the day after our meeting.

In order to maintain our status of an AAW Chapter in Good Standing we need to have current officers who are AAW members. Jo Murto was filling the position of Secretary. Due to other commitments on our meeting nights it is virtually impossible for her to do the position justice. It's not a difficult job, just take some notes at the meeting.

There's no specific Presidents Challenge for the March 2020 meeting. I'd like for everyone to bring one item they have turned since the first of the year. It could even be a work in progress. See you all at the next meeting on Friday, March 6th.

Until then be safe and keep on turning.

Vic

UPCOMING DEMONSTRATIONS

March 6: Nate Arellano, Backyard Turners of Pueblo: Resin Casting Demonstration

April 10 (note date change) Matt Manaco *Turning Wood Pottery*

May 1 Raleigh Lockhart – Maple Leaf Platter

DEMONSTRATORS

Let any officer know if you are interested in doing a demo or if you know of a National turner you would like to see. Let's not rely on the same people every year. If you've done something interesting or think people will be interested in your work, PLEASE volunteer, even if it's something we've done in the past. There is always something to be learned.
