18th ANNUAL PRODUCTION SALE

February 28, 2021**

3:00 p.m. at the Bismarck Livestock Auction
Bismarck, North Dakota

W

elcome to our 18th Annual Production Sale on our new sale date and time of Sunday, February 28th, at 3:00 pm. We hope this change can better help accommodate our customers' busy schedules and calving season. We invite you out to our ranch any time prior to the sale to check out the bulls and see our operation.

We are pleased to present an outstanding set of yearling bulls, representing some of today's top sires in the Black Angus industry. We strive to produce bulls that will add length, performance and dollars to our fellow cattlemen's bottom line. Our modest birth weights will help to ease the stress of a busy calving season while impressive average daily gains show major growth capabilities.

We also have selected an offering of 19 registered bred heifers and 25 commercial heifer calves. You will find our females to have good body, sleek feminine heads, and excellent milk allowing for heavier weaning weights. They come from some of the top lines in the angus industry and will produce calves that prove it.

We are thankful for the continued support of our past customers over the years. If you are new to our sale, we are excited to have you here and encourage you to reach out with any questions. Please come and join us on sale day, we welcome you to arrive early to view the bulls and enjoy a complimentary lunch.
