19th ANNUAL PRODUCTION SALE

Sunday, February 27, 2022

3:00 p.m. at the Bismarck Livestock Auction, Bismarck, North Dakota

Roberts Angus would like to welcome you to our 19th Annual Production Sale on Sunday, February 27th, at 3:00PM CST. We are extremely happy with the quality, mass and disposition in this exceptional set of yearling bulls. Our bloodlines represent many of today's top sires in the Black Angus industry. A full video catalog of each lot is available on DVAuction for your viewing pleasure prior to sale day.

We are thankful for the wonderful support of our past customers over the years. If you are new to our sale, we want to welcome you with open arms and please feel free to reach out to us with any questions. Give us a call to come out to the ranch and check out our operation, we think you will be impressed with this year's offering.

We also have selected 20 yearling heifers with good body, sleek feminine heads, and excellent milk allowing for heavier wean-

ing weights. They come from some of the top lines in the Angus industry and will produce calves that prove it.

Our mission continues to be helping our fellow cattlemen add dollars to their bottom line by producing bulls that will add length, performance and mass to their cattle herds. Our modest birth weights will help to ease the stress of a busy calving season while impressive average daily gains show major growth capabilities. In today's economy with rising input costs and hay shortages we recognize the importance of getting the "most bang of your buck" and we strongly feel that you will be extremely satisfied and see an excellent return on your investment with a bull from Roberts Angus. We hope to see you in the stands on sale day or as always you can also bid online through DVAuction.
