

March 1, 2026

Dear Valued Patients,

I would like to thank you for the trust you have given me over the years as your physician. After over 25 years of serving the women of our community, I have made the decision to retire from my practice at Dothan OBGYN and from full-time local obstetrical and gynecological care. My final day seeing patients at Dothan OBGYN will be March 31, 2026.

Caring for you and your family has been one of the greatest honors of my professional life. I am deeply grateful for the relationships built and the confidence you have placed in me throughout the years.

Your continued health remains very important to me. After March 31, 2026, you may choose to continue your care with one of our other physicians or nurse practitioners at Dothan OBGYN. If you currently have an appointment scheduled after that date, please contact our office at 334-673-3633 so we may assist you in rescheduling with another provider.

Your medical records will be securely maintained by Dothan OBGYN. If you wish to have a copy of your records or request that they be transferred to another physician, please contact our office for a medical records request form. Please allow 20 - 30 days to process. A reasonable fee may apply for copies of medical records in accordance with state guidelines.

Thank you for allowing me to care for you and your family over the years. I wish you continued health and happiness in the years ahead.

Thomas W.C. Robinson, MD
