Please join us as we proudly present, "Arts For ME!"

This is a celebration of our fourth official year of Adapted Art at Westside High School, our second official year at Westside Middle School and our second official year at Millard North Middle School.

This exhibit is made possible through a grant from the Westside Community Schools Foundation, private donors, the generous support of the KANEKO Organization, the Nebraska Arts Council, multiple guest artists, and glass artist Therman Statom.
