

Arts For ME!

Annual End of Year Exhibit

We will be having our 4th annual Arts For ME! Show this May, at the KANEKO. Opening night is May 9, 5-7pm. Show runs through June 7. Please mark your calendars!

UNO - Interns

We have been working closely with UNO to develop internship opportunities for UNO students. Students are encourage to participate from a variety of majors.

Thank You to the Westside Foundation

Thank you to the Westside Foundations for a generous grant to help us to purchase and research adaptive tools to assist our students with the greatest challenges.

February News:

Pictured above are MNMS students working on some Kandinsky inspired painting! We LOVE these!

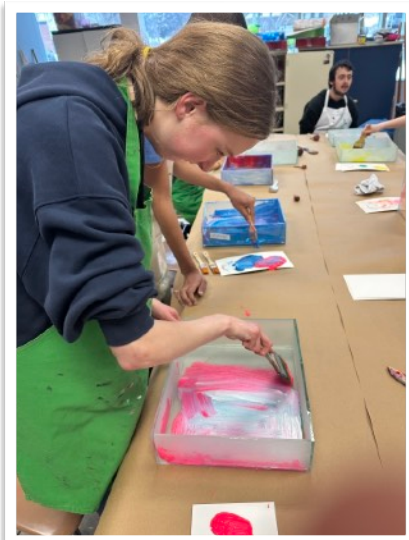

Millard North Middle had a fun day at the Omaha Hot Shops, where each student had a chance to blow glass and create their own piece of art.

Students at WHS have been very busy with 3D works of art. We have worked on the pottery wheel, done some glazing of ceramic projects, and we have completed beautiful glass boxed on display now!

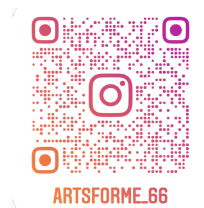

Check out our sheet glass work in the WHS art gallery.

Inspired by our partner, Glass Artist Therman Statom!

Please continue to follow us on social media, and look for updates on our website as well.
