We will be having our 4th annual Arts For ME! Show this May, at the KANEKO Organization. Opening night is May 9, 5-7pm. Show runs through June 7. Please mark your calendars!

## UNO - Interns

We have been working closely with UNO to develop internship opportunities for UNO students. Students are encourage to participate from a variety of majors.

## NE Arts Council Grant

Thank you to the Nebraska Arts Council for funding our grant application for Arts For ME! Programming now exists at 3 schools in the metro area. We would not be able to make this happen without the support of grants like this as well as private donors.

## Exciting Things to Come!

Arts For ME! Has had a busy start to the 2023 - 24 school year! We are excited to announce that we will be installing our large metal fish in the MMI splash pad area. The photo above gives an idea of the finished install.

We are also excited to be kicking off the Arts For ME! program at Millard North Middle School this month! We are already off to a great semester after a field trip to the Kiewit Luminarium. It was such a fun experience and a great chance to get acquainted!
