

**IPLANT**  
Your Tree Planting Expert

**SUSTAINABLE FRUITFUL  
DEVELOPMENT & COOPERATION**

## ABOUT IPLANT

# A NON-PROFIT REGISTERED IN TANZANIA

NGO officially started in 2020 to promote **reforestation** and **afforestation** activities such as:

### Community tree planting

- Fruit tree planting to provide an extra source of food for the local communities
- Non-fruit tree planting to commit to biodiversity and sustainability

Planting trees in the protected territories provided by the Governmental Bodies (Ministry of Forests, Ministry of Education, etc.) as an NGO
