Letter of Commendation: George Guerin

Dear George,

I have no words that adequately express my gratitude for all the time and frenzy that went into organizing the ski trip to Lake Placid. I understand how challenging it is to get our community to do things on time and to not make changes. Thank you, thank you, thank you for being this thorough despite the frustrations.

George, you are a pillar of the Academy. You have organized countless activities--Bear Mountain Hike, Spartan Race, Ski Trips, Road Runners track meets, Chelsea Piers, aside from establishing our first basketball, soccer, and track teams. If we had a fourth C to go with character, competence, and compassion, it would be *community*--because that is what you do: build community.

It is an absolute privilege to know you, George, and a gift to work with you. You have my ultimate respect and appreciation. Thank you from the bottom of my heart.

Gratefully,

Angela Coombs
Head of School
