**Notice of Application
For
Groundwater Well Permit**

This notice is being sent to you because the District Rule 5.6 requires that anyone that owns land or has a water well registered with the District within 1/4 mile of a new application for a non-exempt well must be sent notice.

A non-exempt water well is a well that is capable of producing more than 36,000 gallons a day or 25 gallons a minute. Any well below this capacity would be an exempt well for domestic or home use.

The 22 wells being applied for are located in Henderson County, Texas at the coordinates listed below.

The stated use will be for all beneficial purposes as those terms are defined in Section 36.001(9), Texas Water Code, and District Rule 1(c), as the same may be amended from time to time.

The proposed wells are intended to produce at a maximum rate of gallons per minute listed below.

The total annual permitted amount being requested for each well is listed below.
