To Neches & Trinity Valleys GCD:

Named property owner, \_\_\_\_\_, shares a property line with \_\_\_\_\_ who has applied to drill a water well within 50 feet of the property line. I am aware of this well application and NTVGCD Rule 7 which states that no exempt well shall be drilled such that said well shall be located nearer than fifty (50') feet from the nearest property line, provided that the Board may grant exceptions to allow drilling in accordance with Rule 8. Rule 8 states that such exemption may be granted if all adjoining property owners and well owners within a quarter mile execute a waiver in writing stating that they do not object to the granting of such an exception.

I, \_\_\_\_\_ am aware of this well application and do not object to the granting of such an exception and waive a request for a hearing before the District Board of Directors.
