

Thank you for your interest in Berlin rental events! In addition to bringing events to you, we now offer two spaces to host events. We have a smaller barn location in Hammonton and a larger farm location in Berlin. Please see the attached document for more information on packages and pricing.

We are still in the process of staging the venues and will host open houses once the venues are ready!

Below are some pictures for inspiration.

THE *Farm* INSPIRATION

THE **BARN** INSPIRATION
