

Gold Marketplace is a self-serve platform where your customers can shop, compare, and purchase trusted vehicle protection plans—all without pressure or phone calls.

It's like the Amazon of car warranties—clean, simple, and built for today's drivers. You don't have to sell anything. You don't have to explain anything. And you won't get tied up in phone calls or paperwork. It's a totally passive way to offer an extra layer of service, acquire consumer retention, and earn extra money.
