

EMPOWERMENT, NOT CHARITY

— AI FOR EVERYONE

WWW.WAKA.SOCIAL

VISION & PROBLEM STATEMENT

1
90M+

AFRICAN CHILDREN RISK BEING LEFT
BEHIND IN TECH-DRIVEN ECONOMIES.

2
WITHOUT INTERVENTION, DIGITAL
DIVIDE = OPPORTUNITY DIVIDE.

3
TEACHER-TO-STUDENT RATIO OFTEN
EXCEEDS
1:70
IN RURAL SCHOOLS.

Africa's future depends on
access to AI education

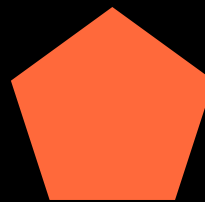

OUR SOLUTION: THE WAKA SOCIAL EMPOWERMENT MODEL

www.waka.social

We bridge the gap with AI-powered empowerment:

AI Literacy & Education – Bootcamps, workshops, and digital skills training

Teacher Empowerment – AI tools, training, and mentorship subscriptions

Digital Access – Devices, internet, and solar-powered infrastructure

Community Projects – Innovation challenges & real-world problem solving

We believe in **universal
education and literacy**
for both children and
teachers

FROM VISION TO ACTION

FIELD VISITS:

Documented cases like a church school
with Primary 1–6 in one classroom.

PILOT PROGRAMS:

Already training teachers and students
through cohort programs.

COMMUNITY GROWTH:

Expanding online & grassroots
presence
