

TVR TUSCAN MARK II TARGA

TVR

TVR TUSCAN MARK II TARGA

The latest evolution of the legendary TVR Tuscan. Stunning new lightweight composite targa bodywork. Luxurious new leather interior. Sophisticated new handling set-up. Same earthshaking power to weight ratio.

Practicality and performance.

Clothing one of the most substantial rollcages and chassis in the industry, the new bodywork has been designed to provide downforce for high speed stability as well as head-turning looks. The new interior cossets its two occupants in seats trimmed in the finest Scottish hides while there is room in the cavernous boot for two sets of golf clubs as well as luggage, even with the roof and rear screen stowed.

With the newest development of the same Speed Six engine that propelled both TVRs to such strong finishes in the gruelling 24 Hour race at Le Mans, it out-performs the competition while chassis and steering developments make it even easier to drive than ever before.

		Basic £	VAT £	Total £
Tuscan	3.6 Litre	33914.90	5935.10	39850.00
	4.0 Litre	42548.94	7446.06	49995.00

2 seater with removable roof panel and rear window
Straight 6 engine with rear wheel drive

Specification

Engine 6-cylinder inline alloy engine with
4 valves per cylinder and dry sump lubrication

Tuscan

Capacity 3605 cc
Max power 350 bhp @ 7200 rpm
Max torque 290 ft.lbs @ 5500 rpm

Tuscan S

Capacity 3996 cc
Max power 400 bhp @ 7000 rpm
Max torque 310 ft.lbs @ 5250 rpm

Performance

Tuscan
0 to 60 mph 4.2 secs
0 to 100 mph 9.6 secs
Maximum +180 mph

Tuscan S

0 to 60 mph 3.8 secs
0 to 100 mph 8.1 secs
Maximum +195 mph
