Potty Training: Rita's Place requires that all children attending our summer camp program be completely potty trained. We are not a daycare facility and our classrooms are not equipped for diapering / potty training.

A potty trained child.....

- Will tell our staff that he/she needs to go to the bathroom before needing to go.
- Is able to go to the bathroom on his / her own. That includes being able to remove clothing, sit on the toilet, wipe himself/herself using an appropriate amount of toilet paper, put clothing back on, flush the toilet, and wash and dry hands.
- Is fully aware of using the toilet without reminders from the staff (although, we do make requests of children at various time of the day and before going to the playground).
- Does not wear pull-ups or diapers. He/she must be in regular underwear.
- Is able to postpone going if waiting for someone else who is in the bathroom or if we are outside.
