Hello Parents and Caregivers!

We are excited to welcome students and their families to Rita's Place Day Camp offered during the 2022 / 2023 school year! We look forward to a fantastic school year continuing to provide age-appropriate activities for children ages 3 to 12 in a safe, fun, and loving environment.

Our fun-filled camp activities include STEM-inspired play, games, puzzles, crafts, stories, outdoor fun at Sherwood Recreation Playground (weather permitting), and many other fun day camp activities. We will also introduce the Campers to our Music/Movement and Farm to Table specialty programs that our after-school care students enjoy!

Our Music and Movement program is designed to teach the children about music and the importance of physical activity. The children experience and learn about different types of music and musical instruments, dance, and physical activity.

Our Farm to Table Program, taught by Mr. Rondell, is designed to teach the children the basics of gardening, build agricultural awareness, explore the idea of farming, develop openness to experiencing new and fresher foods, encourage healthy personal food choices, and create an appreciation of the environment.

Our Day Camp hours will remain as they were last year, 9:00 am to 6:00 pm.

OUR COVID POLICY

As COVID-19 continues to be a part of our reality, we continue to enforce our COVID policy:

- Masks are still required
- Negative COVID test results must be submitted via email or text message weekly.

POTTY TRAINING

Rita's Place requires that all children attending our after school care program be completely potty trained. We are not a daycare facility and our classrooms are not equipped for diapering/potty training.

A potty trained child ...

- Will tell the teacher that he/she needs to go to the bathroom before needing to go
- Is able to go to the bathroom on his / her own. That includes being able to remove clothing, sit on the toilet, wipe himself/herself using an appropriate amount of toilet paper, put clothing back on, flush the toilet, and wash and dry hands.
- Is fully aware of using the toilet without reminders from the teachers (although, teachers do make requests of children at various times of the day and before going to the playground).
- Does not wear pull-ups or diapers. He/she must be in regular underwear.
- Is able to postpone going if waiting for someone else who is in the bathroom or if we are outside
