  - a. "Assessment" shall mean the charge against each Lot Owner and his lot, representing a portion of the total cost to the Association of maintaining, improving, repairing, replacing and managing the Common Areas, which are to be paid uniformly and equally by each Lot Owner of the Association, as provided herein.
  - b. "Association" shall mean Chambers Point Homeowners Association, Inc., a Texas non-profit corporation, the Bylaws of which shall govern the administration of the Chambers Point property and the membership of which shall be composed of all of the Owners of the Lots of the Subdivision and any additions and phases thereto.
  - c. "Board" or "Board of Directors" shall refer to the Board of Directors of Chambers Point Homeowners Association, Inc.
  - d. "Common Area" shall mean and include all of the property described in Exhibit "B" attached hereto, any parks, public boat ramps and docks, any picnic areas and all of any other improvements located or to be located in or thereon.
  - e. "First Mortgagee" shall mean the holder of a first mortgage lien on any lot in the Subdivision.
  - f. "Lot" and "Lots" shall mean those lots described on Exhibit "A" attached hereto and any additional lots that the owner of each lot shall agree in writing to make subject to this Amendment to Covenants & Deed Restrictions.
  - g. "Owner" shall mean a person, firm, corporation, partnership, association, trust or other legal entity or any combination thereof, who owns title to one or more Lots.

- h. "Special Assessment" shall mean in addition to the Assessment described above, the amount the Association may levy, in any assessment year, applicable to that year only for (i) the cost of any construction, reconstruction, repair or replacement of a capital improvement upon or in the Common Area, including roads, fixtures and personal property related thereto; or (ii) the expense of any other contingency or cost deemed necessary by the Association.
- i. "Subdivision" shall mean Chambers Point Subdivision, Phase I and Chambers Point Subdivision, Phase II, as filed in the Official Plat Records of Navarro County, Texas, and any additions and phases thereto.

The following sections are hereby added to the Covenants:

- 21. Upon the recordation of this Amendment to Covenants and Deed Restrictions for Chambers Point Subdivision, Phase II, each Lot Owner will automatically become a member of the Association. At the time of closing on the purchase of any lot in the Chambers Point Subdivision, Phase II, each purchaser will automatically become a member of the Association. An assessment is hereby made of SIX DOLLARS (\$6.00) per month per Lot to each Owner for only one Lot and an assessment of FOUR DOLLARS (\$4.00) per month per Lot for any numbers of Lots in excess of one, payable annually on the first (1st) day of January of each year. The assessment charge for a Lot purchased during the calendar year shall be prorated from the date of purchase to the end of that calendar year.

The assessment is payable to the Association at its office in Dallas County, Texas, or at any location that its office may be changed to at a future date.

The fund created by the assessment in charges shall be used to cover expenses incurred in the maintenance and operation of the common area properties, and facilities of the Subdivision or for community improvement thereon, including but not limited to the construction and reconstruction, improvement and maintenance of roads, mowing of roadways, parks, public boat ramp, dock and picnic area, and other improvements or services at said Subdivision and for such other uses as may be approved by the Association.

The assessment charges may be raised by the then current Directors of the Association if necessary to provide adequate funds to carry out the purposes of that Association.

Such assessment charges shall extend for the life of these Covenants and shall be extended automatically at the same time the Covenants may be extended.

- 22. In addition to the Assessments authorized above, at any time the Association may levy in any calendar year a Special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, repair or replacement of roads, parks, public boat ramps, docks and picnic areas or other improvement located or to be located upon the Common Areas,

provided that any such Assessment shall be approved by a two-thirds (2/3) vote of the quorum of Owners voting in person or by proxy at a meeting (annual or special) of the Association duly called for such purpose.

23. No Owner may exempt himself from liability for his contribution toward the Common Areas by waiver of the use or enjoyment of any of the Common Areas or improvements located thereon.
24. All sums due but unpaid by a Lot Owner for his share of Assessments, including interest thereon at ten percent (10%) per annum, shall constitute a lien on such Lot superior to all other liens and encumbrances, except only for: (i) all taxes and special assessments levied by governmental and taxing authorities; and (ii) all liens securing sums due or to become due under any mortgage vendor's lien or deed of trust filed of record prior to the time such costs, charges, expenses and/or assessments become due.
25. To evidence such lien, the Association may, but shall not be required to, prepare written notice setting forth the amount of such paid indebtedness, the name of the Owner of the Lot and a description of the Lot. Such notice shall be signed by one of the Board of Directors and may be recorded in the office of the Clerk and Recorder of Navarro County, Texas. Such lien for the Assessment shall attach from the date of the failure of payment of the Assessment. Such lien may be enforced by foreclosure of the defaulting Owner's Lot by the Association. Any such foreclosure sale is to be conducted in accordance with the provisions applicable to the exercise of powers of sale in mortgages and deeds of trust, as set forth in Section 51.002 of the Texas Property Code as may be amended from time to time, or in any manner permitted by law. Each Owner, by accepting a deed to his Lot, expressly grants to the Association a power of sale, as set forth in said Section 51.002, in connection with the Assessment lien. The Board of Directors is hereby authorized to appoint a trustee to hold any such foreclosure sale. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceedings, the costs and expenses for filing notice or claim of lien and all reasonable attorneys' fees. The Association shall have the power to bid on the Lot at the foreclosure sale and to acquire and hold, lease, mortgage and convey same.
26. The amount of the Assessment levied against each Lot shall also be a debt of the Owner thereof at the time the Assessment is made. Suit to recover a money judgment for unpaid Assessments shall be maintainable without foreclosing or waiving the lien securing same.
27. Each Owner shall comply strictly with the provisions of these Covenants, the Bylaws and the decisions and resolutions of the Association adopted pursuant thereto, as the same may be lawfully amended from time to time.
28. The administration of the Association shall be governed by the Bylaws. The Association shall be managed by a Board of Directors, duly appointed or elected, pursuant to the terms and conditions of the Bylaws.
29. Immediately after the recordation of these Covenants, Jackson Lake Properties Joint Venture shall execute and deliver a deed to the Association conveying title to the property described on Exhibit "B" to

the Association. Jackson Lake Joint Venture shall have the right to deed additional property to the Association for Common Areas and the Association shall accept and maintain the property described on Exhibit "B" and any such additional property.

30. These Covenants shall not be revoked, nor shall any of the provisions herein be amended from the date these Covenants are recorded unless the Owners representing at least ninety percent (90%) of the ownership of the Lots agree to such revocation or amendment by instruments duly executed and recorded.
31. All notices, demands or other correspondence intended to be served upon Owner shall be sent by ordinary or certified mail, postage prepared, addressed in the name of such Owner in care of the address of such Owner. All notices, demands or other correspondence intended to be served upon the Board of Directors of the Association or the Association, shall be sent by ordinary or certified mail, postage prepaid to the Association's address.
32. Whenever the applications and provisions of these Covenants conflict with the applications of any provisions of the Bylaws adopted by the Association, the provisions or applications of these Covenants shall prevail.

Except as modified above, all other terms and conditions of the Covenants & Deed Restrictions for Chambers Point Subdivision, Phase II shall remain in full force and effect.

Any other owner of a lot in the Subdivision which is not listed on Exhibit "A" shall have the right, but not the obligation, to consent ("Consent") at a later date to this Amendment to Covenants & Deed Restrictions and to subject such lot to the terms and conditions of such Amendment. Upon the execution of the Consent, recordation in the Records of Navarro County, Texas and furnishing evidence of such recordation to the Association, such lot shall automatically become subject to the terms and conditions of this Amendment. A copy of the form of Consent to be executed and recorded is attached hereto as Exhibit "C".

This Agreement may be executed in several counterparts and all such counterparts so executed shall constitute one agreement binding on all the parties hereto, notwithstanding that all the parties are not signatory to the original of the same counterpart.
