Legacy of Service Award Gala & Silent Auction

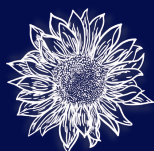

About Our Legacy of Service Award Gala & Silent Auction

Maya's Love is an official Certifying Organization for the President's Volunteer Service Award. This award honors individuals whose service positively impacts communities in every corner of the nation and inspires those around them to take action, too.

The Maya's Love Volunteer Presidential Award Ceremony Silent Auction is a chance to empower change in our communities. Proceeds from the auction directly support Maya's Love's mission to nurture tomorrow's leaders, fund volunteer initiatives, and promote mental health awareness among communities across South Texas in the Rio Grande Valley, Uvalde, and San Antonio.

At our upcoming award ceremony, we will also pay tribute to the children lost in the Robb Elementary tragedy by granting local youths awards in their names for their outstanding achievements. Joined by families, we'll have the profound honor of receiving these awards directly from those whose lives have been forever altered by the events, creating a poignant and meaningful connection between past loss and future promise.

Our mission supports communities in the *Rio Grande Valley, San Antonio, Uvalde Texas*, and provides care packages *world wide*. Our mission knows no bounds as we extend our care and compassion to communities in the Rio Grande Valley, San Antonio, Uvalde Texas, and beyond. From local neighborhoods to global initiatives, your sponsorship enables us to make a difference wherever it's needed most.
