COMMUNITY WIDE YARD SALE

Do you have items that you would like to clean out & make some holiday cash? Then join us at the community wide yard sale on October 28th (rain date Oct 29th)

Please contact Karen Shell at (856)866-0839 to register. There is a small fee of \$5 a home to cover advertising for the event.

If you are interested in helping with this event or future events, please reach out to Amanda@pinoakmgmt.com & she will get you connected with the Activities Committee

Board of Directors Open Board Meeting

**November 13th at
7:30pm
Via Zoom**

Fall & Winter Association Reminders

Holiday Decorations – Holiday decorations and lights are welcomed in the community between Thanksgiving and New Year's. Please keep lights and decorations to just being placed on your patio/deck area and front beds and not on common areas.

Parking – Please be mindful of guests parking during the Holiday Season. Have them park only in spots **not** marked with a number

Recycling & Trash – Over the holidays it takes on a whole new meaning of crazy in the dumpster areas with packages coming in, parties going on and cleaning out to get ready for the treats that the holidays bring. Everyone needs to remember that the County WILL NOT PICK UP RECYCLING if there is any trash in the recycling dumpsters or boxes aren't broken down. We have seen it happen in Springwood multiple times this summer and that wasn't with the Holiday overflow of trash. If you see that the dumpster closest to your house is full, please go to one of the other ones in the community and do not start piling up trash next to the dumpster. This not only causes the Township not to pick up the trash but if your porters must move trash around for you it will cost the community to do so. So please don't be that person that can't just break down a box or go to a dumpster less full.

Snow Removal Policy - I know it seems early for this kind of talk but the way this weather has been going we might as well discuss it now because you never know if it's going to be 80 or 8 on any given day recently!! The community's snow removal policy is enclosed for you to review. Please reach out to Amanda at amanda@pinoakmgmt.com or give her a call at (856) 767-6888 if you are disabled or need to have your spot cleaned out early due to standing doctors' appointments or your job. We will give your name and address to our snow removal company, and they will attempt to have your parking area cleared first.
