

TO FIND A BOOK LEVEL, POINTS OR QUIZ NUMBER

Start on our library grid website. Click on AR Book Finder. It's just to the right of the Accelerated Reader block, in the second column, three down.

The screenshot shows a library resource page. At the top left, there is a small photo of a child and the text: "Welcome to the Library resource page! Here you will find some additional resources to aid in your learning adventure! Library August 2019". On the top right, there is a "CALENDAR" section with dates for March 18 (Esteban's Spirit Night) and March 19 (Picture Day - Spring Pictures). The main area is titled "General Sites:" and contains a grid of various educational icons. A red arrow points to the "RENAISSANCE Accelerated Reader Bookfinder" icon, which is located in the second row, second column of the grid.

Click on either "Student" or "Parent":

The screenshot shows the Renaissance Accelerated Reader Bookfinder website. At the top left is the "RENAISSANCE" logo, and at the top right is a link for "Español". The main heading is "Welcome". Below this, the text reads: "RENAISSANCE Accelerated Reader Bookfinder™". Underneath, it says "United States" and provides a description: "Searching for books with a corresponding Renaissance Accelerated Reader 360® quiz is easy with Accelerated Reader Bookfinder®. Students, teachers, parents, and librarians can search in English or Spanish using criteria such as ATOS book level or a Lexile™ measure, interest level, title, author, fiction/nonfiction, subject, award-winners, state lists, CCSS Exemplars, and more." Below the description, it asks "Please tell us who you are:" and lists four options: "Student", "Parent", "Teacher", and "Librarian". The "Student" and "Parent" radio buttons are circled in red. A blue "Submit" button is located below the options. At the bottom, there is a link: "New to Renaissance AR Bookfinder®? Watch this brief overview! »".

Type in the title, author or even subject of book for which you're searching. Then click the blue "Search" button.

The screenshot shows the Renaissance Accelerated Reader Bookfinder interface. At the top, the Renaissance logo is on the left, and navigation links for 'Español', 'About Us', and 'Help' are on the right. Below the logo, the text 'RENAISSANCE Accelerated Reader Bookfinder™' is displayed. A 'Student' profile icon is visible. Search options include 'Quick Search', 'Advanced Search', and 'Collections'. A search box contains the text 'National Geographic Readers Sharks', and a blue 'Search' button is to its right. On the left side, there is an 'AR BookBag™' icon and a section for 'Enter Keycode' with a 'Go' button. Below this, a message states: 'You do not need a Keycode to search. However, if your child's teacher gave you a Keycode, enter it here to search the most relevant books for your child.' Further down, a 'Refine Your Search' section lists filters for Interest Level (Lower Grades, Middle Grades, Upper Grades, Middle Grades Plus), Fiction/Nonfiction (Nonfiction, Fiction), and Language (English, Spanish). The search results section is titled 'Search Results' and shows 'Titles 1 - 20 of 19688'. It includes navigation links for 'Previous', 'Page 1 of 985', and 'Next', along with a 'Go to Page' field and a 'Sort By' dropdown set to 'Relevance'. The first result is 'Bug Hunt' by National Geographic Kids, with an AR Quiz No. of 172413 EN Nonfiction. It lists 'IL: LG - BL: 0.8 - AR Pts: 0.5', 'AR Quiz Types: RP, RV', and a 'Rating: ★★★★★'. A description reads: 'Beginner text and colorful photographs teach the short "u" sound as readers hunt bugs.' An 'Add to AR BookBag™' button is located below the result.

Scroll down the page until you find the title you want. The quiz number is called "AR Quiz No". "IL" means Interest Level. "BL" is the book level; your child should be reading books that fall within his/ her assigned ZPD level. (Your teacher can tell you this.) "AR Pts" tells you how many points the book is worth. You may click on the title for more information if you wish. It's not usually necessary.
