

# Lamiaceae

Lamiaceae is a brand that represents and backs up all the natural skin care enthusiasts in Canada! Skin care lovers who are tired, of putting, chemicals, dyes, and fragrance on their skin! As a brand we are defined by the theory that that the market does not need any more poorly made, over priced and soulless products. Contrasting this, we are committed to producing the highest quality all natural skincare, that is handcrafted locally, with zero chemicals, and dyes, and the only fragrance we use is 100% pure essential oils. Our products are then, sold at a fair price for all to enjoy! You can really see our passion in every product!
