

Why the VFW?

Our strength comes from you!

Simply put, the Veterans of Foreign Wars strives to do good things for deserving people; particularly veterans, their families, and communities. From local grassroots ideas to national influence, we work everyday to make a difference. It's our strength as an organization. With each individual membership, we grow stronger!

The Veterans of Foreign Wars is an association of overseas veterans dedicated to preserve and strengthen comradeship among its members, to assist worthy comrades, to perpetuate the memory and history of our dead.

Also to assist their widows and orphans, to maintain true allegiance to the government of the United States of America, to foster true patriotism, and to protect and defend the United States from all of her enemies.
