

# Coffee & Espresso

## Plain Ol' Coffee

Fresh hot brewed coffee  
straight-up, no-nonsense,  
and unapologetically anti-Starbucks.

\$3.50

## Macaw Shot

Double espresso  
(small in size, big in attitude...  
like a macaw who slept through sunrise.)

\$2.50

## Playita Cap

Espresso with steamed milk and foam  
(creamy comfort with a laid-back island lean...  
OH, go ahead — stay awhile.)

\$4.50

## Tu Vuò Fà L'Americano

{“Americano Macaw-no”}  
Double espresso topped with hot water  
(bold, smooth, and just showy enough to earn its name.)

\$4.00

## Kiss-of-Foam Macchiato

Espresso kissed with a whisper of foam  
(tiny, cute, and surprisingly dangerous.)

\$4.25

## Easygoing Cortado

Half espresso, half warm milk (easy on the tongue,  
steady on the nerves, and relaxed enough to feel  
like a lazy hammock afternoon.  
Soft, warm, breezy... and perfectly Macaw.)

\$2.75

## Chillin' Island Brew

Cold brew coffee, cocoa, almond milk  
& coconut cream  
(Cold, smooth, and guaranteed  
to take the edge off island heat.)

\$5.50
