

August 29 and August 30 Judy Fenton, Millcreek Sewing & Needle in a Haystack Quilt Retreats will be coming to teach 2 classes and have a TRUNK SHOW and product sales on Friday, August 28 evening. The classes will be full days from 9-4. The first class will be on Saturday and if enough interest, the second class will be on Sunday. Class sign up will begin at the May meeting with payment due when you sign up for the class as well as your design kit choice. You will be making a Laura Heine 10" collage. The cost will be \$35 with 1 kit or make two choices (if you are a quick worker/learner), the 2nd kit will cost \$30. The class includes the kit and instructions. (The \$30 kits are ONLY available when signing up for a class.) You should complete one collage during the class and will be provided with guidance on how to quilt the collage after the class. These 10" collages can be used by their self, in a wall hanging, pillow or however you would choose after the class. NOTE: The fabrics MAY NOT be these exact fabrics but will look as nice; maybe better, per Judy. Here are your choices:
