

LGB Patriots
Our gay 'pride' colors are **RED**, **WHITE** & **BLUE**, not rainbow

SUSD

My name is Gerre Heron and I am here to speak against the endorsement of GENDER FANTASY school clubs.

I have 12 years experience teaching both as ADJUNCT and FULL TIME at Drexel University, Philadelphia University and the defunct PHOENIX ART INSTITUTE.

I am also the founder of the political non-profit group, LGB PATRIOTS... "Our 'pride' colors are red, white and blue, not rainbow."

We are SAME SEX ATTRACTED people ... LESBIANS, GAY MEN & BISEXUALS ... we are NOT SAME GENDER ATTRACTED PEOPLE.

I scanned through the DR MENZEL'S statement, December 2021, about school CLUBS and adherence to PROTECTED CLASSES:

RACE ... is FACT
COLOR ... is FACT
DISABILITY ... is FACT
NATIONAL ORIGIN ... is FACT
SEX and SEXUAL ORIENTATION ... is FACT

"TRANSGENDER IDENTITY" ... is FABRICATION.

We used to teach FACTS, not FICTION.
We used to teach MATHS, SCIENCE, BIOLOGY ... not EMOTION.

10 years ago, most of us knew nothing about TRANSGENDER & TRANSSEXUALS.
5 years ago, most of us knew nothing about GENDER DYSPHORIA.
1 year ago, most of us knew nothing about AUTOGYNEPHILIA.

100 years empirical research recorded GENDER DYSPHORIA at 0.001% effecting mostly BOYS.

By 2019 RAPID ONSET GENDER DYSPHORIA sky rocketed into the 4 and 5000 percentile affecting mostly GIRLS.

Why? Because we are TEACHING IT, ENDORSING IT and ENCOURAGING IT ... all in the name of your "key value," INCLUSION and in the NAME OF GAYS.

LGB did NOT and DO NOT give you permission to use our SEXUALITY to indoctrinate OTHER PEOPLE'S CHILDREN into a SEXUAL "EQUITY & INCLUSION" FANTASY.

These GENDER FANTASY, SCHOOL CLUBS are persuading OTHER PEOPLE'S CHILDREN that GAY IS COSPLAY. Try it on for SIZE.

SEX IS BINARY
SEXUALITY IS INERT.
AND THERE ARE ONLY THREE SEXUALITIES.

And here is a WARNING.

There will be a DAY OF RECKONING because HUMANITY WILL NOT ACCEPT THIS ASSAULT ON VULNERABLE YOUTH.

Thank you.
