Our gay 'pride' colors are RED, WHITE & BLUE, not rainbow

## Trump Promises to Erase the Transgender Community

For FIVE YEARS, (my BitChute Channel keeps count,) I have rallied against Gender Ideology.

For FIVE YEARS I have recorded and edited video after video exposing Gender Ideology and the menace of Rainbow Pride Poison.

For FIVE YEARS I have outreached the GOP and AZGOP; the obvious 'hold-the-line' party.

For FIVE YEARS my advocacy fell on deaf ears; no response, little response, pushback or utter embarrassment at discussing the 'gay thing.'

I outreached AZGOP 2020 candidates for a five minute audience and only Kari Lake's campaign responded, but didn't bother watching the accompanying video. The campaign then went silent.

Then finally a single AZGOP member in Yavapai County, LUCI REYNA WHEAT, heard me, understood me and began working with me on THE GENDER GENERATION presentation; "The plague and lies of "Gender/Transgender ideology."

Now it seems DONALD TRUMP has finally 'gotten the memo' and stopped listening to the Rainbow Pride Poison whisperings of Richard Grenell and Log Cabin Republicans. (Log Cabin Republicans insist on the T in their title, LGBT, and celebrate the LGBTQAI+ lobby's, Rainbow Pride.)

It isn't enough to claim that President Trump never supported Gender Ideology when he enthusiastically endorsed and supported Log Cabin Republicans, Richard Grenell and the rainbow banner without question in his 2020 campaign material...much like his flawed advocacy for COVID vaccines.

Shallow thinking, bad advice and the wrong advisors.

Whilst the GOP were twiddling away with internal bickering, traitorous RINOs, elite and establishment party politics, the dictator Democrats, along with the Rainbow Pride lobby, BIG Pharma and BIG medicine were sterilizing THEIR daughters and castrating THEIR sons.

Arizona GOP now has a new chairperson, JEFF DEWIT, and a new slate of officials. Is Arizona going to fallback on the "Happy Pride Month" wails of the outgoing chairperson, Dr Kelli Ward, or are we finally going to save our state, our country and our civil society?

GOP. Fellow Americans. Patriots... accept your failings and start to FIX THIS!

YOU HAVE YOUR TRUMPET CALL!
