NOTICE OF MOTION – A Motion to Amend our By-laws.

Please be advised that the following motion will be brought to the floor at the general membership meeting to be held on June 25, 2026.

MOTION 2026.02

Please note that a motion to amend our by-laws will be tabled at our June 25, 2026 general membership meeting

The intent of this motion is to remunerate our shop stewards for the work that they do, including attending disciplinary interviews. It will also raise the incidental payments to our Senior Shop Stewards.

Whereas shop stewards often use their own time to attend disciplinary interviews and,

Whereas management has taken the tact to not cover a piece of delivery for the shop stewards in these instances and,

Whereas shop stewards perform diligently to represent and protect the membership,

Therefore, let Section 7.1(c) of the Oshawa Local by-laws be amended to increase the incidental payment twice yearly for Senior Shop Stewards from the present \$325 to \$400, and

Add the following section:

honorariums for shop stewards, which shall be:

Shop Stewards - \$200 to be earned as follows: \$100 for participating in the interview process in a meaningful way (to be determined by and at the discretion of the local executive committee) and \$100 for attending at least fifty percent (50%) of all general membership meetings they were entitled to attend and all shop steward meetings in said six (6) month period.

In Solidarity,
Oshawa Local Executive
