ELECTION TO BE HELD
JUNE 25, 2026

Please be advised that an election for delegates to pre-Convention Regional Conference will be held at this month's general membership meeting.

As we do not have our entitlement yet as to how many delegates we can send (3 or 4), we will elect four members to attend conference and four alternates.

In the event that we only get three delegates (our membership fluctuates from under 350 to over 350 by the month) then the first three elected delegates will be set, the fourth delegate will become the first alternate, and the last two alternates will drop off, leaving the other two alternates to become the second and third alternates.

*As we do not have GMMs in July or August, it is imperative that we deal with this issue now as we have had to have special meetings in the past because our next meeting was after the delegate deadline.

It is a requirement to attend pre-Convention conference to attend National Convention, so please nominate members whom you think would best represent YOUR interests with the National Union.
