

# AURA

## LONGEVITY & WELLNESS

### Boost Membership

For those seeking optimized physical and mental performance, proactive recovery, and long-term health maintenance through regular IV therapy and injections.

- Provider Oversight—Annual health and lab review (or post-lab consult).
- Personalized treatment plan tailored to YOUR lab results
- Direct provider access—I'm here when you need me
- Longevity Savings
  - \$25 off all IV Nutrient Infusions
  - \$10 off all Vitamin Injections
  - \$50 off all NAD+ Treatments

Best for: Individuals primarily focused on ongoing recovery, performance enhancement, preventative health, and maximizing vitality through IV Therapy, Injections, and NAD+ optimization.

**Cost: \$149/month**

### Signature Membership

For those looking to optimize their hormone health and overall wellness with expert guidance and personalized care.

- Comprehensive lab testing—Standard Monitoring Lab Panels are included (up to 3 routine provider-ordered panels per year). (Initial lab testing is a one-time fee of \$399)
- Unlimited follow-up visits—no extra fees for ongoing support
- Personalized treatment plan tailored to YOUR lab results
- Direct provider access—I'm here when you need me
- Prescription management & discounts for added convenience
- Longevity Savings
  - \$50 off all IV Nutrient Infusions and Advanced Therapies
  - 1 free Vitamin Injection per month

Best for: Individuals looking to balance hormones, boost energy, improve metabolism, and enhance overall wellness without needing hormone therapy.

**Cost: \$249/month**

### Premier Membership

For those who need comprehensive hormone therapy along with full wellness support to restore balance and vitality.

- Everything in SIGNATURE Membership PLUS:
- Hormone therapy medications are included (Testosterone, Estrogen, or other prescribed treatments)
- Regular hormone level monitoring to ensure optimal dosing
- Adjustments to treatment plans as needed for ongoing success
- Longevity Savings
  - \$75 off all IV Nutrient Infusions and Advanced Therapies
  - 2 free Vitamin Injections per month

Best for: Individuals who need hormone replacement therapy (HRT) to restore balance, optimize performance, and feel their best.

**Cost: \$349/month**
