FOR WELLNESS
2026
GOLF TOURNAMENT

June 16, 2026
Blissful Meadows Golf Club

Hosted by

AURA
LONGEVITY & WELLNESS

WHY WE'RE TEEING OFF FOR WELLNESS

A Movement Toward Personalized Wellness

Tee Off for Wellness is more than a golf tournament, it's a gathering of people who believe the future of healthcare should look different.

Hosted by Aura Longevity & Wellness, this event brings together business leaders, wellness professionals, and community members for a day that celebrates connection, innovation, and the power of proactive health.

Our mission is simple: to expand awareness and access to wellness-focused care that goes beyond quick fixes and reactive medicine. From hormone health and metabolic optimization to recovery therapies, nutrition, and preventive care, we believe people deserve a more personalized approach to their health.

Through Tee Off for Wellness, we're creating a space where community, wellness, and purpose come together, while supporting meaningful local causes and showcasing the businesses helping move healthcare forward.

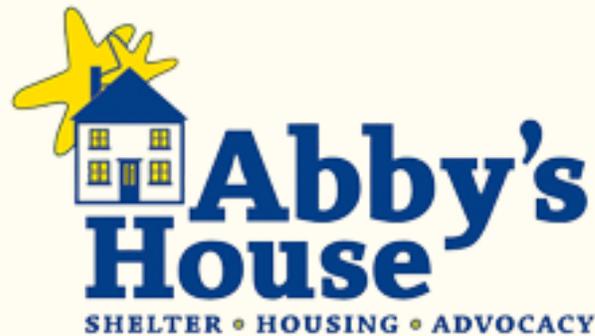

WHO WE'RE SUPPORTING

At the heart of this event is a mission to uplift and empower women in our community. Proceeds from the Tee Off for Wellness Golf Tournament will directly support two incredible nonprofit organizations doing life-changing work for women and families right here in Massachusetts.

ABBY'S HOUSE

For nearly 50 years, Abby's House in Worcester has provided shelter, housing, and advocacy for women and children who are experiencing homelessness, domestic violence, or life crises. With over 13,000 women served since 1976, Abby's House is more than a shelter — it's a lifeline. Their trauma-informed programs help women regain stability, independence, and hope for a brighter future.

Learn more: www.abbyshouse.org

PAWSITIVELY 4 PINK

Pawsitively 4 Pink is a Worcester-based nonprofit providing direct financial assistance to low-income women diagnosed with breast cancer. From rent and utility bills to transportation and groceries, they help ease the financial burdens that can make an already devastating diagnosis even harder to bear. Their mission is simple and powerful: no woman should have to choose between paying for treatment or everyday necessities.

OUR WELLNESS VILLAGE

Our Wellness Vendor Village is what makes Tee Off for Wellness truly unique.

Throughout the event, players and guests can explore a curated collection of wellness providers offering hands-on experiences, product sampling, and education around modern health optimization.

From hormone health and metabolic testing to IV therapy, recovery treatments, nutrition, supplements, fitness, and holistic skin care, the Wellness Village brings together the businesses shaping the future of personalized care.

This interactive space allows participants to meet the practitioners, try new services, and discover tools that support longevity, energy, and overall well-being, turning a day of golf into a full wellness experience.

Thank You

Thank you for taking the time to learn about the Tee Off for Wellness Golf Tournament. Whether you choose to sponsor, donate, or simply help us spread the word, your support makes a meaningful difference. Together, we're not only raising critical funds for two incredible nonprofits — Abby's House and Pawsitively 4 Pink — but also bringing awareness to the power of personalized, wellness-driven care in our community.

We're so grateful to have your support in making this event both impactful and unforgettable!

With appreciation,
