## SO FAR THIS YEAR

It's been a brilliant year so far. The children come in each day with big smiles, ready for fun activities and a yummy breakfast. We've enjoyed learning what each child likes, and dislikes, and it's been heartwarming to see new friendships taking shape.

## FUN IN THE HALL

### Highlights of Our Fun This Term

**This term, we've created a variety of crafts, including:**

- we celebrated St Patrick's day by creating bunting
- Mothers day daffodil gifts and cards
- decorated wooden disc with words of friendship
- friendship cards and bracelets
- valentines day cards
- Chinese new year calendars
- world book day dress up
- glass and card crosses

**other things we do are:**

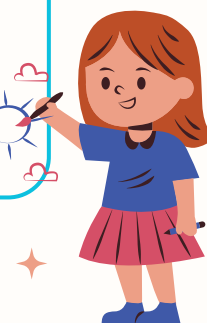

- outside football, volleyball, table tennis, skittles, sticky darts, cars, Lego, dolls, Knex, colouring, Building blocks, board games, jigsaws, mind games, bingo,

What a term! Looking ahead, we're excited to make things for St Georges Day, VE day, Europe day, Father's day, then at the end of July is World Chocolate day, so I think we have to finish the year off with a chocolate day.

## ALL THE TEAM

Lesley, Christine, and everyone in the Breakfast Club team are committed to offering a safe and caring space for children before school begins. For any questions or extra information, you can contact us using the email at the bottom of the page or speak with a team member. Thank you for your continued support.
