

Please discuss with your child, their favourite book character. This could be from the book they're currently reading, or from one of their favourites.

Either draw the character in the box provided, or print out a photo of the character and stick it on the frame above.

Write the character's name on the bottom of the frame.

Make sure your character looks as close to the actual character as you can, and make sure you really emphasise their features e.g. colour of hair, type of clothes, facial hair etc.

Bring your drawing into school the week beginning 27<sup>th</sup> February, ready for World Book Day on the 2<sup>nd</sup> March.
