Schoolgateway App

We have introduced School Gateway to Great Crosby – a parent/carer engagement app that will allow you to pay for school dinners, school trips and any other fees, and allow us to communicate with you efficiently.

School Gateway has replaced Pay360. All online payments will be made through this system. **If you pay for school dinners online, you should already have registered.** School Gateway will be replacing GroupCall in the new year.

Please download the app for free. Just search **School Gateway** in your App store and download. Your login details will be automatically generated using the contact information the school already has, so please make sure the details we hold for you are up to date.

You will open the app, click **Sign up**, enter the email address the school has for you, enter your mobile number, and click **Send PIN**. Wait for the text message with the PIN to arrive, enter your PIN and then you can log in. There is also a web-based version if you do not have a smart phone. Please use the app if possible as it makes it easier to get hold of parents/carers when we need to.

Gaming

Check the PEGI age rating of games. Please only let your child access games appropriate to their age. Please don't play your adult games with children. For in-game purchases, buy a gift card, don't link your bank card.

Next Steps

Have a conversation with your child about what they do online; have a family agreement; check that accounts are set to private; protect their personal information; think before you/they post; check your virus protection is up-to-date; check parental controls on YouTube, iPlayer, Netflix, Amazon Prime & other streaming services; consider filtering & blocking software; understand the laws; understand how to report and block and if an incident happens – save the evidence.
