I will use good manners

I will be safe and sensible

I will speak to an adult if I am worried or feel unsafe

Going for Green

We have discussed the Code of Conduct in class and have explained that all rules come under the umbrella of:

- **Be Ready**
- **Be Respectful**
- **Be Safe**

- No vaping or smoking on school premises
- Please don't enter classrooms – wait at door
- No smartwatches
- No phones

Phonics Screening Check

- Year 1 Phonics Screening Check will take place during June 2023
- Throughout the year, children are assessed regularly and they will become very familiar with the format of the screening check
- We make these assessments as informal as possible

Schoolgateway App

We have introduced School Gateway to Great Crosby – a parent/carer engagement app that will allow you to pay for school dinners, school trips and any other fees, and allow us to communicate with you efficiently.

School Gateway has replaced Pay360. All online payments will be made through this system. **If you pay for school dinners online, you should already have registered.** School Gateway will be replacing GroupCall in the new year.

Please download the app for free. Just search **School Gateway** in your App store and download. Your login details will be automatically generated using the contact information the school already has, so please make sure the details we hold for you are up to date.

You will open the app, click **Sign up**, enter the email address the school has for you, enter your mobile number, and click **Send PIN**. Wait for the text message with the PIN to arrive, enter your PIN and then you can log in. There is also a web-based version if you do not have a smart phone. Please use the app if possible as it makes it easier to get hold of parents/carers when we need to.

For parents/carers: greatcrosbycatholicprimary.com > Parents/Carers > Online Safety

For children: greatcrosbycatholicprimary.com > Children > Online Safety

Safer Schools App

Stay in touch with up-to-date online safety and safeguarding issues. It links with our website too. Download from the App Store or Google Play. See our website for more joining details.

Social Networking Apps

Children **must be at least 13** to register on most social networking websites. Age limits are there to keep children safe so don't feel pressurised into letting younger children join these websites or use apps/games that are age inappropriate.

Gaming

Check the PEGI age rating of games. Please only let your child access games appropriate to their age. Please don't play your adult games with children. For in-game purchases, buy a gift card, don't link your bank card.

Next Steps

Have a conversation with your child about what they do online; have a family agreement; check that accounts are set to private; protect their personal information; think before you/they post; check your virus protection is up-to-date; check parental controls on YouTube, iPlayer, Netflix, Amazon Prime & other streaming services; consider filtering & blocking software; understand the laws; understand how to report and block and if an incident happens – save the evidence.
