

From St. Joseph's Hospice

At St. Joseph's Hospice, we rely on generous donations to keep our doors open each year and to provide care for more than 150 patients and their families.

Each year, we run a *Real Christmas Tree Collection* in return for a donation. Last year, this initiative raised nearly £10,000. This year, we need to raise at least £15,000—and we would be incredibly grateful for your help in reaching this goal.

A festive green poster for St. Joseph's Hospice's Christmas Tree Collection. It features a large, decorated Christmas tree on the right side with red, yellow, and blue ornaments and a gold star on top. The background is dark green with white snowflakes. The St. Joseph's Hospice logo is in the top left, with social media icons and the website URL in the top right. The main title 'Christmas Tree Collections' is in large white and yellow letters. Below it, text explains the collection process and the impact of donations. A gift box icon on the left contains a list of what donations can fund. A QR code and a 'Scan me' button are at the bottom right.
